## THE SPOTLIGHT

This year at LHS, almost two dozen new students have joined our family! Most of them attended a Welcome Breakfast in August and met members of the LHS staff and PTG board. During the month of October, Mr. Gray is having grade level sessions with our newcomers to continue to support their transition. The meetings are also yet another way for us to gain the feedback and perspective of our youngsters. In his first few meetings with our youngest ones, their comments were heartwarming. When asked the question "How has the first month of school been?" responses included:

- ☛ I have made a lot of new friends.
- ☛ Everyone was welcoming and very nice, especially the teachers.
- ☛ Buses are fun!
- ☛ I like the different encore subjects.
- ☛ Snack time should be longer.
- ☛ Teachers take time with me when I don't understand something.
- ☛ I like that we can get extra help when we don't know something.
- ☛ It has been fun!!

Thank you to our new parents for giving us your children every day and allowing us to bring them into our LHS Learning Community! We couldn't do this without your support.

### **STUDENT COUNCIL**

LHS Student Council will be joining up with the campaign to help bring socks to homeless shelters. The initiative is called SOCKTOBER. It was created by Robby Novak, Kid President. So, why SOCKTOBER? Every night in the United States an estimated 600,000 people sleep on the streets and need simple things, like socks, to help get them through the night. Additionally, the number one clothing item needed by homeless people is new socks, but people rarely ever donate them! Help make a difference! "Pair up" with Lloyd Harbor Student Council as we gear up to support "toes" in need. Please bring in "New Socks" of all sizes, color, patterns, and varieties to benefit the homeless in our area by October 31. The donation bins will be located outside the School Store.

### **NEW VISITOR SIGN-IN**

For the safety of the students and staff, we are installing a visitor management system in our buildings this month. This is the same system which has been in operation at the Junior/Senior High School for the past three years. When visiting the school, please remember to bring your driver's license so we can create a visitor's pass for you for that day.

### **SCHOOL SAFETY & DRILLS**

Throughout the year, we conduct a variety of drills, including evacuation (fire) and lock down drills. These drills are reviewed in class and expectations are made clear. Student cooperation and silence is paramount. Also, this is a good time for parents to have a conversation with children to remind them that all schools have procedures in place to ensure that we are always safe in our schools!

### **EARLIEST ARRIVAL**

Please do not bring your children to school before 8:20AM. At that time, they will wait until 8:30 before going to their classrooms. Teachers are not required to be here until 8:30AM.

### **SWITCHING BUSES FOR PLAYDATES**

As a reminder, when setting up playdates, the maximum number of additional children riding the bus with your child must be TWO. Our buses are full and we do not have the room to accommodate large numbers of playdates or parties. Thank you for your support.

### **FROM THE LHS/PTG**

## Operation E.D.I.T.H. Drill

1. Feel the door to check if it's HOT!  
If it's Not Hot open the door slowly,  
bracing it with your knees and  
shoulder. But be prepared to slam it  
shut quickly if there's smoke and fire  
on the other side.

2. If the door is blocked by smoke  
or fire, leave through a window  
or secondary emergency route.

3. Once out of the house go  
directly to your meeting place,  
such as a tree or mailbox on  
your front lawn.

## SMOKE DETECTORS

Most fatal residential fires occur while the occupants are asleep. Installing smoke detectors outside bedroom areas will provide the extra minutes of warning needed to escape. The most recent figures available from the National Fire Incident Reporting System indicates that the installation of a Smoke Detector will double your chance of survival during a fire.

## DEVELOPING THE PLAN

Members of the family should work together to draw a plan of each floor of your house where bedrooms are located.

Your plan should include:

- The location of Smoke Detectors.
- Two escape routes; one for normal and one for Emergency use.
- All doors, windows, stairways, fire escapes and adjacent buildings.
- A central meeting place outside your home.

If a window is designated as an Emergency Route, make sure the person who uses it is able to reach and unlock the window, remove the screen and / or the storm window, reach the ground safely.

Designate someone to call the fire department from a neighbor's house. Post a copy of your finished plan in a conspicuous place as a constant reminder.

## PRACTICE YOUR PLAN ON A MONTHLY BASIS AND REMEMBER THESE IMPORTANT HINTS:

- Sleeping with bedroom doors closed can add valuable minutes of protection against flame, smoke and toxic gases.
- If you have a telephone in your room, have the Fire Department's number on it or nearby.
- Keeping a whistle, horn, or other such audible signal near your bed may prove valuable in waking other members of your family who may not hear the smoke detector. If family members use a different signal you will know who is awake without opening doors.

**MAKE  
OPERATION E.D.I.T.H.  
A MEMBER OF YOUR FAMILY!**

## PUTTING THE PLAN INTO ACTION

If the smoke detector sounds or you smell smoke, wake your family with your signal. If you hear another signal answer with yours. Keep Calm. Roll out of bed and crawl to the door. Feel the door from bottom to top. If it is hot near the top do not open it. Proceed to your designated emergency exit.

If the top of the door is not hot, brace your foot and shoulder against it and open it carefully. If there is only light smoke, crawl to the normal exit. If the smoke is dense or the door is hot use the Emergency Exit. Report to the designated meeting place.

Notify the Fire Department from a neighbor's house. **DO NOT ALLOW ANYONE TO RE-ENTER THE BUILDING FOR ANY REASON.**
