### **STUDENT COUNCIL**

LHS Student Council will be joining up with the campaign to help bring socks to homeless shelters. The initiative is called SOCKTOBER. It was created by Robby Novak, Kid President. So, why SOCKTOBER? Every night in the United States an estimated 600,000 people sleep on the streets and need simple things, like socks, to help get them through the night. Additionally, the number one clothing item needed by homeless people is new socks, but people rarely ever donate them! Help make a difference! "Pair up" with Lloyd Harbor Student Council as we gear up to support "toes" in need. Please bring in "New Socks" of all sizes, color, patterns, and varieties to benefit the homeless in our area by October 31.

### **BOX TOPS**

This year the student council representatives will be organizing and helping with monthly box top counts, which will be displayed on the Box Top Bulletin Board located by the LHTV/School Store. The grade that collects the most box tops for each month will get a certificate and receive a reward. Thank you to everyone for supporting box tops and happy clipping! Please make sure you take a look at our new box top mailbox when you enter LHS! Lloyd Harbor School would like to thank Mrs. Karlin Downes for creating the box top mailbox and for supporting our efforts to help the school to promote parents/staff to bring in Box Tops!

### **SCHOOL SAFETY & DRILLS**

Throughout the year, we conduct a variety of drills, including evacuation (fire) and lock down drills. These drills are reviewed in class and expectations are made clear. Student cooperation and silence is paramount. Also, this is a good time for parents to have a conversation with children to remind them that all schools have procedures in place to ensure that we are always safe in our schools!

### **NEW VISITOR SIGN-IN**

For the safety of the students and staff, we are installing a visitor management system in our buildings this month. This is the same system which has been in operation at the Junior/Senior High School for the past three years. When visiting the school, please remember to bring your driver's license so we can create a visitor's pass for you for that day.

## **FROM THE LHS/PTG**

### **Lost and Found**

Calling All Parents: Please label all your children's valuables. If you are missing items, please check the lost and found located in the school cafeteria. Items that are not collected and not labeled will be donated the first Thursday of each month beginning 10/6/16.

### **FOCUS**

FOCUS will be presenting a workshop on Stress Management Techniques for You and Your Children led by Dr. Jennifer Hartstein - psychological contributor for The Today Show and The Dr. Oz Show Wednesday, October 26, 2016 at 9:00am in the District Office Community Room. Please join us!

### **Photo Retake Day**

Photo retake day is 10/26. Everyone should have received their digital proofs via email by now. If your child was absent or if you are not happy with your child's photo, please have him/her retake the photo on retake day. All 6th grade group/club photos for the yearbook will be taken on retake day.

### **After School Clubs**

LHPTG sponsored before/after school clubs started this week! There is still space in all clubs. Please send registration and checks in ASAP. Clubs with low enrollment in danger of being cancelled: Sewing, Math Games, Fun with Board Games, Tag games, and LegoRobotics.

### **LHS-PTG Dues (Directories & Transportation Pads)**

If you have not paid PTG dues and would like to, please send in \$20 (Cash or Check made payable to LHSPTG) attn: Mel Saladino. Your directory and Change of Transportation Pad will go home in your child's backpack. For those of you who paid dues and were unable to pick up your directory and change of transportation pads at Back to School Night, they will go home in your child's backpack this week.

# GHOULS FOR SCHOOLS!

COLLECT ALL THE BOX TOPS FLOATING AROUND YOUR HOUSE!

Thank you for helping! Clipped Box Tops are each worth 10¢ for your child's school. Bonus certificates should not be attached to this sheet - please submit them separately. To see more ways to earn cash for your child's school, go to [BTFE.com](http://BTFE.com).

## Operation E.D.I.T.H. Drill

1. Feel the door to check if it's HOT!  
If it's Not Hot open the door slowly,  
bracing it with your knees and  
shoulder. But be prepared to slam it  
shut quickly if there's smoke and fire  
on the other side.

2. If the door is blocked by smoke  
or fire, leave through a window  
or secondary emergency route.

3. Once out of the house go  
directly to your meeting place,  
such as a tree or mailbox on  
your front lawn.

### Knowing How To React In A Fire Could Save Your Life, Or The Lives of your Children

## SMOKE DETECTORS

Most fatal residential fires occur while the occupants are asleep. Installing smoke detectors outside bedroom areas will provide the extra minutes of warning needed to escape. The most recent figures available from the National Fire Incident Reporting System indicates that the installation of a Smoke Detector will double your chance of survival during a fire.

## DEVELOPING THE PLAN

Members of the family should work together to draw a plan of each floor of your house where bedrooms are located.

Your plan should include:

- The location of Smoke Detectors.
- Two escape routes; one for normal and one for Emergency use.
- All doors, windows, stairways, fire escapes and adjacent buildings.
- A central meeting place outside your home.

If a window is designated as an Emergency Route, make sure the person who uses it is able to reach and unlock the window, remove the screen and / or the storm window, reach the ground safely.

Designate someone to call the fire department from a neighbor's house. Post a copy of your finished plan in a conspicuous place as a constant reminder.

## PRACTICE YOUR PLAN ON A MONTHLY BASIS AND REMEMBER THESE IMPORTANT HINTS:

- Sleeping with bedroom doors closed can add valuable minutes of protection against flame, smoke and toxic gases.
- If you have a telephone in your room, have the Fire Department's number on it or nearby.
- Keeping a whistle, horn, or other such audible signal near your bed may prove valuable in waking other members of your family who may not hear the smoke detector. If family members use a different signal you will know who is awake without opening doors.

**MAKE  
OPERATION E.D.I.T.H.  
A MEMBER OF YOUR FAMILY!**

## PUTTING THE PLAN INTO ACTION

If the smoke detector sounds or you smell smoke, wake your family with your signal. If you hear another signal answer with yours. Keep Calm. Roll out of bed and crawl to the door. Feel the door from bottom to top. If it is hot near the top do not open it. Proceed to your designated emergency exit.

If the top of the door is not hot, brace your foot and shoulder against it and open it carefully. If there is only light smoke, crawl to the normal exit. If the smoke is dense or the door is hot use the Emergency Exit. Report to the designated meeting place.

Notify the Fire Department from a neighbor's house. **DO NOT ALLOW ANYONE TO RE-ENTER THE BUILDING FOR ANY REASON.**
