The minutes from the November 10th meeting are now posted on our website. Please go to the "About LHS*PTG" page and click on "Meeting Minutes" on the left side of the screen to view. Thank you to Stephanie DiNozzi for bringing the combined LHS*PTG/FOCUS meeting to us on January 12th. Dr. Moss and Ms. Acconi guided our open conversations regarding the stress of parenting in today's world. The open forum made it possible for us to bring the concept home and specific to our daily lives and families. Thank you to all of our PTG parents for coming to the meeting and for your participation in the discussion. Thank you to Stephanie, FOCUS, Dr. Moss, Ms. Acconi, and especially all the parents present for creating and sustaining an adult learning environment where we felt safe and where we felt listened to. Congratulations to Mrs. Terry for winning Green Committee's "bring your own coffee mug" raffle! The next LHS*PTG meeting will be held on Thursday, February 9th at 9:15 am. The meeting will focus on the ELA Test. We hope to see everyone then! Remember to bring your own mug! You might win the next raffle!

To All Our Six Grade Families:

Its time to start the search for pictures! Lisa Paris and I, along with our committee, are very excited to be putting together the Class of 2012 yearbook but we need your help. We realize looking for pictures is very time-consuming, but it is so important to each child to see themselves in their yearbook. Our goal is to have each child represented in at least 2 to 4 candid shots. To try to make the search process a little easier, I am listing the events that the children have participated in from second grade to the present.

2nd Grade

Farm Trip

Community Helper Project

Symbols of America

Atlantis Aquarium Trip

Whaling Museum

3rd Grade

Wax Museum

4th Grade

Colonial Day

Philadelphia Trip

Lloyd Manor Trip

5th Grade

There are also some events listed below that the children participate in each year. Please send in those pictures as well, because we will try to dedicate pages to each event, if we have enough photos.

Apple Fun Run

Spring and Winter Concerts

Science Fair

Field Day

Halloween (trunk or treat/fall festival)

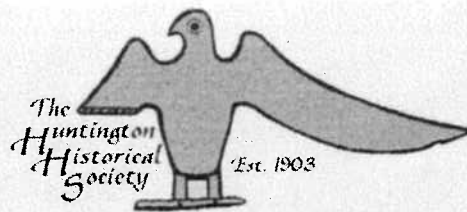

6th Grade Activities

If you also have any other candid shots of your children at school with friends or teachers please send them in clearly labeled with grade and activity (i.e. lunch room).

Our deadline for the photos is Friday, January 20th. You can submit photos to either Lisa Paris (llparis5@aol.com) or Julie Ross (alarconross@aol.com) or you can send in hard copies or CDs (clearly labeled) via Samantha Paris' or Emily Ross' backpack (Mr. O'Rourke's class).

We are looking forward to getting a ton of pictures and putting together a truly memorable yearbook.

Young Historian's After-School Program

Does your child love history?

Would your child like to make a part of history come alive?

The Huntington Historical Society is offering an **eight-session** after-school program for children ages 7 to 12.

Each session of this hands-on program will be focused on one colonial project such as weaving on a loom, candle dipping, authentic colonial cooking, wooden toy construction, and visiting the newly renovated Huntington Arsenal! Participants will be able to wear colonial costumes, play original colonial games, and handle various artifacts that typically are only viewed behind glass displays in museums. This program will teach your child to truly appreciate colonial life, and by the end of the sessions, your child will have a better understanding of Huntington history and their heritage. The best part, it's non-competitive and fun!
