We would also like to acknowledge with a warm thank you, Jenean Ketterer, West Side School's 6th Grade Activities Coordinator and her team of volunteers who helped to make the collaborative Bowling Night such a huge success. We had over 100 children from the combined schools in attendance and the interaction among the students proved that next year's reunion at the Junior High School should be virtually seamless. We would also like to thank ALL the volunteers who assisted during the various events we hosted throughout the entire year, as well as, the parents for their support of these events. The children truly seemed to enjoy them all!
