Dear Members of the Cold Spring Harbor Community,

As a proud member of the Cold Spring Harbor Community, I would like to thank you for your generosity and ongoing support of Broadway in South Africa. Along with the assistance of over one hundred talented and caring students, the BSA artists gave a phenomenal performance on November 4th at the Performing Arts Center.

After the event, all cash donations were given to Adam Kantor, the director of Broadway in South Africa. The checks and credit card donations were collated, put together into a package, and mailed to Adam on November 7th.

Unfortunately, Adam never received the parcel. Although the package had a Delivery Confirmation, this only means that it arrived at an address – not necessarily the correct one. Rest assured that every effort has been made to locate the package. Both the postmaster at the New York station and the regional postmaster have been contacted. They, in turn, have spoken to the postal carrier. In addition, Adam has visited the buildings nearby asking the doormen about the package. Regrettably, no information concerning the whereabouts of the parcel has surfaced.

The post office has officially declared the package as “lost”. In order to protect your security, please follow these suggestions.

1. If you gave cash, disregard this letter as the cash was given to BSA.
2. If you wrote a check, please consider canceling it.
3. If you filled out a form, be certain to keep an eye on your credit card bills. In order to be 100% safe, you might want to cancel the card.
4. If you won a raffle prize, please email me at israelimail@me.com as the list of winners was also lost with the package. I need your information so that the headshot of Arianna Grande can be sent to you.

Please pass this information on to anyone you know that attended the performance.

The BSA artists continue with their incredible work in South Africa, and should you care to donate again, please do!!! www.BroadwayInSouthAfrica.org is a 100% SECURE site.

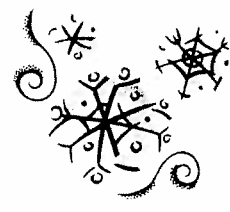

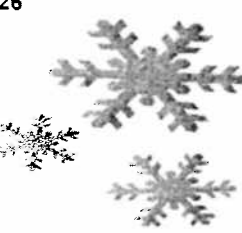

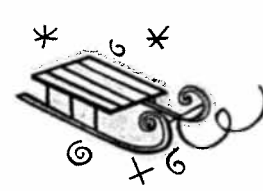

Thank you everyone for your understanding and your support.

Sincerely,

Nancy Israeli
