WE HAD A CIRCUS IN SCHOOL TODAY!

The National Circus Project (NCP) came to Lloyd Harbor today, February 22, 2013, and provided the students of grades 4, 5, & 6 the opportunity to experience unique cultural traditions and incredible fun!!!

In a series of hands-on workshops a variety of skills including juggling, plate spinning, balancing, stilt walking, and more were taught to the children in the gymnasium!

At the end of the day, the NCP performed a spectacular assembly for the whole school showcasing the skills the children had just learned.
