# COLD SPRING HARBOR EDUCATIONAL FOUNDATION

CELEBRATING OUR FIRST YEAR SERVING CSH COMMUNITY

## COLD SPRING HARBOR

### Student Awareness Day

"WEAR RED FOR ED" was the rally call for our Student Awareness Day. Over 40 members of our Student board, organized activities and information for their peers and teachers, to help spread the word about the CSHEF. Their enthusiasm and knowledge resulted in 212 new likes for our Facebook page, increasing our total reach by 1886%!

This day was just one of the examples of student engagement we strive for, it showed students and teachers that they can have an active role in their futures by getting involved and working together!

### In-House Research Lab

Through the generous contributions of community members and the CSHEF Board we were able to fund our first initiative, an In-House Research Science Laboratory in our High School. This \$15,274 project ties into our vision of providing increased access to programs, and tools that elevate the level of learning. The Research Lab does this by giving students the ability to perform high-level scientific research in school.

Our district's strong commitment to Science, Technology, Engineering, and Math (STEM) and this lab give our students the hands-on opportunity to research topics of personal interest to them. The new Lab is up and running with our students using all of their new research equipment today!

### Building Connections

Community and CSHEF Advisory Board Member, Laurie Carey and her husband Michael owner of IT Systems, have partnered with Jr/Sr High School students. The Computer Science Club, led by Club member Michael Terracciano will work alongside the Carey's to develop a strategy and plan to expand and develop the CSHEF website.

This mentorship opportunity is just one of the ways the CSHEF strives to create real world learning experiences to help better prepare our students their futures in both college and careers.

Included in the program will be the little known details and photos of the infamous 1955 Woodward murder case that took place in Oyster Bay Cover, the mysterious F.W.
