Credit Requirements

(Apply to all diploma types: local, Regents, Regents with advanced designation)

	Minimum number of credits
English	4
Social Studies Distributed as follows: U.S. History (1) Global History and Geography (2) Participation in Government (½) Economics (½)	4
Science Distributed as follows: Life Science (1) Physical Science (1) Life Science or Physical Science (1)	3
Mathematics	3
World Languages	1(**)
Visual Art, Music, Dance, and/or Theater	1
Physical Education (participation each semester)	2
Health	1/2
Electives	3 ½
Total	22

^(**) Students with a disability may be excused from the requirement for 1 unit of credit in World Languages if so indicated on their IEP, but they must still earn 22 units of credit to graduate.

1.) Pathways

A student must either:

- earn the <u>Seal of Civic Readiness</u>; or
- pass an additional Regents Exam or Department Approved Alternative in a different course (English, mathematics, science, or social studies); or
- · pass a Department Approved Pathway Assessment (Arts, CDOS, World Languages); or
- successfully complete a NYSED-approved CTE program, including the associated 3-part technical assessment; or
- successfully complete all the requirements for earning the CDOS Commencement Credential.

Beginning in fall 2022, a select number of NYS schools will pilot the <u>Individual Arts Assessment Pathway (IAAP)</u>. Reference <u>Multiple Pathways</u> and <u>Department Approved Alternative Examinations</u>.

2.) Traditional Appeals

All appeals are subject to local district approval. Reference: Appeals, Safety Nets, and Superintendent Determination

3.) Special Endorsements

Honors: A student earns a computed average of at least 90 on the Regents Exams applicable to either a Regents diploma or a Regents diploma with advanced designation. No more than 2 Department approved alternatives can be substituted for Regents Exams. The locally developed Checkpoint B examination in World Languages is <u>not</u> included in the calculation.

Mastery in Math and/or Science: A student meets all the requirements for a Regents diploma with advanced designation AND earns a score of 85 or better on 3 math Regents Exams and/or 3 science Regents Exams.

Technical Endorsement: A student meets the requirements for either a local diploma, a Regents diploma or a Regents diploma with advanced designation AND successfully completes a Department approved CTE program including the 3-part technical assessment.

Seal of Biliteracy: A student meets the criteria for earning the NYS Seal of Biliteracy.

Seal of Civic Readiness: A student meets the criteria for earning the NYS Seal of Civic Readiness.

Reference the <u>Endorsements and Seals webpage</u> or <u>NYS Diploma/Credential Requirements</u> for additional information related to awarding special endorsements to students with exam exemptions due to COVID-19.

4.) World Languages Exemption

Students with a disability may be excused from the required units of credit in World Languages if so indicated on their IEP, but they must still earn 22 units of credit to graduate. Such student who seeks a Regents diploma with advanced designation does NOT have to complete the 5-unit sequence in the Arts or CTE in lieu of the sequence in World Languages in order to meet the assessment requirements for the advanced diploma.

5.) Superintendent Determination of a Local Diploma

Students with a disability who are unable to attain a local diploma through the various safety net provisions may be eligible for a Superintendent Determination of a local diploma under certain conditions. Reference: Appeals, Safety Nets, and Superintendent Determination.

6.) Flexibilities due to the COVID-19 Public Health Emergency

Exemptions: Students granted an exemption from any exam due to COVID-19 are not required to pass such specific exam to meet the assessment requirements for any diploma type. Reference the following FAQs: <u>June/August 2020</u>, <u>January 2021</u>, <u>June/August 2021</u>, and <u>January 2022</u>

Special Appeals: Eligible students may use lower scores (50-64) on Regents Exams taken during the 2021-22 or 2022-23 school year to meet the assessment requirements for any diploma type. Reference: Special Appeals Memo and FAQ.

Special Determination: Students who are scheduled to graduate in June 2022 and either do not qualify for a Special Appeal or who are unable to participate in one or more required Regents Exam(s) because of illness, including isolation restrictions due to COVID, may request a Special Determination to Graduate with a Local Diploma in June 2022.

) Exemptions from the Regents Exam in US History and Government (Framework)

Eligible students shall be granted an exemption from the June 2022, August 2022, or January 2023 Regents Exam in US History and Government (Framework). Reference: FAQ on Cancellation of Regents Exam in US History and Government (Framework)

National Junior Honor Society Requirements

Frequently Asked Questions

*What is the National Junior Honor Society?

The National Junior Honor Society (NJHS) honors students who have demonstrated excellence in the areas of Scholarship, Leadership, Service, and Character.

"What is the GPA requirement for the NJHS?

The primary requirement for the NJHS is a minimum GPA of 3.5. Grades earned during the 1st and 2rd quarter of 8th grade are calculated to determine eligibility. Grades earned during 7th grade are not included.

*How will I know if I meet the GPA requirement?

Students who earn the minimum GPA of 3.5 or higher will be notified approximately 3 weeks after quarter 2 report cards are released (mid February).

*Is there a community service requirement?

Yes. All students meeting the GPA requirement must also complete 20 hours of community service. Community service completed during 7° grade, the summer leading into 8° grade and up to the due date of the application may be included. Please visit the Community Service page on the school website for upcoming community service opportunities. An advisor signature and/or certificate of completion is required for all community service hours completed.

*Will I be required to complete an application?

Yes. Students who meet the GPA requirement must complete an application. Application packets will be available to eligible students during mid-February.

*What information do I need for the application?

The application will ask for the following information:

- *Community service hours completed
- *Extra-curricular activities & leadership positions held (7" & 8" grade only)
- *Teacher recommendations
- *Brief essay

"Will grades earned in either Biology Accelerated or Algebra I Accelerated be weighted?

No. The grades earned in Biology Accelerated and Algebra I Accelerated are not weighted.
