Hints for Taking Test

- Eliminate any obvious wrong answers on the multiple choice (PART 1)
- Write out the formula and show the plug-in to avoid making careless mistakes. SHOW ALL WORK!!!!
- LABEL, LABEL, LABEL your graphs (titles, axes, “c” in right triangle)
- Read each question carefully and underline important words.
- Don’t leave any blanks!!
- Take a deep breath and relax – YOU ARE READY FOR THIS!!

Please get a good night sleep before the exam.
Eat a healthy breakfast before school. (No food is allowed to be brought into the testing areas.)
