

JUNIOR HIGH CAFETERIA GUIDELINES

Be Respectful and Courteous To Everyone; Follow the Directions of Staff

You are expected to treat your classmates, the cafeteria employees, the supervising teacher and teacher aides with respect at all times. This means saying please and thank you.

Place Your Book Bags in the Designated Area

Book bags should be placed upright on the shelving provided. Your bags must be placed in this area to ensure a safe exit in the case of a fire alarm or emergency drill. You may get work or a book from your bag if needed. You are not to bring your bag outside with you. Come back into the cafeteria a few minutes before the bell rings to get your belongings (at the 5 minute warning bell).

Lunch Tables

There are either 4 or 8 at a table only, depending on the size of the table.

Use Good Table Manners

Do not play with or throw food or bottles; talk at a reasonable level; avoid offensive language.

Clean Up After You Eat

You are responsible for the table you are sitting at. This includes cleaning up the garbage even if it is not yours. If someone at your table consistently does not pick up their own garbage, inform the supervisor. The Environmental Club has provided two (2) recycling containers. Place your plastic and paper items in the appropriate container. If you wish to go outside, clean your table and ask permission of the supervisor.

Go To Your Locker Before Lunch

If A Teacher Needs To See You During Lunch, Obtain A Pass Before Going To The Cafeteria
