

Yes the title is correct, Microsoft Office for free

Microsoft offers Office for FREE to all Staff and students (I will blast the offer to students after Thanksgiving)

The link to this FREE offer: <https://www.microsoft.com/en-us/education/products/office>

- All you will need is your school email address and password (school computer password) to access your account.
- When you log in, click “Install Office” located at the upper right side of the screen to install office on your home computer.
  
- Click on an icon (see below) to use the web version of the app on your PC/Mac/Chromebook.
- Click on “All apps” to explore more of the apps Microsoft has to offer.

Enjoy

Joe
