

Screen share on your Promethean Board

Promethean boards allow teachers and students to share/cast their chromebook/computer/phone/tablet/ ... to the board. Students in the classroom and from home can share their screen to the board.

Below are two videos on Screen Sharing

[Connecting Devices to Screen Share](#)
[Screen Share Waiting Room](#)

[Screen Share users guide - PDF](#)

This link will take you to the Promethean YouTube channel where you will find many helpful resources.
