

eSD help guides and resources

Good Morning

Our School Information System (SIS), eSchoolData has a wealth of resources and guides to assist users in navigating the system. These resources are found at the top right of most screens. Click the question mark to gain access.

After clicking the question mark you will find four categories

- **User Guides** – 92 in depth guides that covers every aspect of eSD
- **Quick Reference Guides** – 71, one to two page “Cheat Sheets” on the most used features of eSD
- **Tutorials** – over 100 training videos from various resources
- **Release Guides** – A listing of the most recent upgrades and modification to eSD
